"Growth is Life"

It's heartening to see the improvement of my cadets in terms of discipline, demeanor, academic and co-curricular performance. This could be materialized by the vision we had and team work our staff and students exhibited.

The increased sense of belongingness, I find in the Balachadians, gives me a greater sense of satisfaction. I am positive that the Balachadians will definitely bring laurels to the school by winning the RRM trophy and Academic Topper trophies.

The Balachadians have started leaving indelible marks of success in all the walks of life. I am hopeful that the triumphs of Balachadi would continue to soar higher.

The continuous support and positive criticism from our readers has been a constant encouragement for us in bringing out the new issues of Balachadi Mail.
